### **Message from the Order of AHEPA District Governor**

I hope all of you are having an enjoyable summer.

On June 27, the District Lodge visited the Norwich chapter to attend their awards night and install the new chapter officers. The chapter was also celebrating its 80<sup>th</sup> birthday; **Happy Birthday Norwich**. It was the third time I visited the chapter in the past few years and I have to admit that seeing this chapter's accomplishments and community involvement makes me a proud Ahepan. They hosted a magnificent dinner and everyone was received warmly, I felt among family. During the awards the chapter made numerous donations to worthy causes and institutions. This is an AHEPA chapter that reaches beyond the Greek community and because of it, it enjoys the respect and cooperation of all of Norwich and beyond. If we only help the Greeks, then we should only expect help from the Greeks. This chapter has earned the right to expect the help of everyone.

In July I attended the National Convention in Hollywood Florida. We had good deliberations and exchanged ideas and held elections for the Supreme Lodge. Congratulations to our past Supreme Governor and Yankee News editor, John Grossomanides, for being elected Supreme Treasurer.

Lastly I would like to remind all of you that the District's Fall Conference will be held on Saturday October 7 at 10:00 A.M. at Holy Trinity Church in Waterbury, CT. I hope to see all of you there.

Fraternally,  
Kip Kyprianou

### **Message from the Daughters of Penelope District Governor**

I would like to take this opportunity to THANK YOU for allowing me to head our District again this year! I look forward to an exciting year. Our goal is to work on building our District. We need young blood to continue in the shoes of our strong Lifetime Sisters. Bring a friend to your monthly meetings or carpool to a District Conference. It takes strong Chapters to make a successful District.

I would like to thank our outgoing Lodge member Karen Issac; I appreciate all she did as District Treasurer, for the past 2 years. I thank all the Sisters who make up our district Lodge for this year and know they will do their best for your District. Let me know what is happening in your Chapter, so that I may include it in my bulletin. Please get any important dates to me, to be included in our dates to remember. Make sure your Chapter schedules the District Lodge visitation as soon as possible, our calendars fill up so quickly and I look forward in visiting each Chapter

this year.

I would like to thank John Grossomanides for the time and effort he has put into bringing the "Yankee District News" back into publication. We all appreciate everything you are doing!! Keep up the Great work!!!!

Please contact me if there is anything I can do for your Chapter.

Yours in Theta Pi,

*Loukia*

### **Message from the Sons of Pericles**

Dear Brothers and Sisters of the District 7 AHEPA Family,

Greetings. I hope that this correspondence finds you all well.

With the reinstatement of the Yankee District News, I wanted to take the opportunity to talk about the junior auxiliaries of the AHEPA and Daughters of Penelope: the Sons of Pericles and the Maids of Athena. This past year, we saw significant growth in both orders throughout North America, specifically in the northeastern United States. With new chapters emerging in New York, Massachusetts and New Jersey, there has never been a better time for the AHEPA family in Connecticut and Rhode Island to focus on the youth in our communities.

Our organizations seek to espouse all of the ideals promoted by the AHEPA and Daughters, includ-

ing, but not limited to athletic excellence, academic achievement, civic responsibility and of course, Hellenic pride. Every year we donate to various charities and local, national and worldwide scales, host a variety of sporting tournaments all throughout North America, offer scholarships exclusive to our members only, and promote mentorship through the AHEPA family for our members anxious to pursue certain career paths.

The positives of these organizations not only benefit our members, but they also benefit the AHEPA family at large as today's Sons and Maids are tomorrow's AHEPANS and Daughters. Growth is essential to our family, and the best way to keep it afloat is to promote and support the Sons and Maids, plain and simple. If you know someone, who you think might be interested, Please contact me, and I will gladly work with you in any way possible to bring the Sons and Maids back to our communities and give new life to the AHEPA family.

Sincerely,  
Rick Pecka  
Supreme Vice-President  
Order of the Sons of Pericles
